The Secretary of State for Environment, Food and Rural Affairs (referred to as “the licensing authority”) in exercise of the power conferred by Section 15 of the Marine Licensing (Exempted Activities) Order 2011, approves the use of **Super-dispersant 25** as a Type 2/3 oil dispersant for use at sea, on sandy/pebble amenity beaches, on rocky shores within United Kingdom controlled waters (other than waters adjacent to Scotland and Northern Ireland).

This approval shall remain in force for a period of 5 Years from the date given below subject to the following conditions.

1. The product shall not be used except as stated at the time of application for approval, or in accordance with any subsequent instructions issued by the manufacturer or approval holder and approved by the licensing authority.
2. Only the product label provided by the approval holder and accepted by the licensing authority shall be used on supplies of the product marketed in the United Kingdom.
3. The approval holder shall not change the composition of the product, or the source of its raw material from that given in the application for approval without the prior notification to and the agreement of the licensing authority. If any change in any respect is made without the agreement of the licensing authority the product must be withdrawn from use. In such cases the agreement of the licensing authority must be obtained before the product is put back into use.
4. Any changes to the name and address details must also be brought to the attention of the Marine Management Organisation.
